Benson Neighbourhood Plan

We are nearly there!

Facts

- A Neighbourhood Plan is the only instrument with legal force that enables communities to influence development in their locality
- To gain approval a Neighbourhood Plan needs to involve and prove it has the support of the community
- Benson's Neighbourhood Plan is nearly complete and we aim to submit it to SODC in February
- Once submitted SODC will follow this process which could take up to 6 months:

What are we asking *you* to do?

- join us in Benson Parish Hall at 7pm Friday 3 February
- hear how the Neighbourhood Plan has progressed and what is being proposed
- give us your views on our proposals
- above all we need your support to ensure the Neighbourhood Plan is adopted and carries weight in future planning decisions
